RECLAIMED WATER STYLE:

All ball curb valves area available marked for "reclaimed water" by adding "-20" to the catalog number. Example: B-25132-20.

**See page 7.18 for tubing and pipe that can be used with this connection.*
NOTE: Sizes shown above represent nominal size of valve. "R" means Reduced port. Ball waterway is one nominal size smaller than inlet/outlet.

MUELLER Service Tees are manufactured and tested in accordance with ANSI/AWWA C800. Components in contact with potable water will also comply with latest requirements of the Federal Safe Drinking Water Act.
