Subject: Mueller Service Brass

To Whom It May Concern:

This letter will certify that Mueller Service Brass, which includes corporation stops, curb stops, service fittings, copper meter yokes and end connection, are manufactured and tested in accordance with ANSI/AWWA C800 and are certified to NSF 61.

Components that come in contact with potable water also comply with the latest requirements of the U.S. Safe Drinking Water Act (SDWA) that was enacted on January 4, 2014. When ordering please add an "N" to the prefix of the part number. Low lead castings are marked with an "NL".

Regards,

A handwritten signature in black ink, appearing to read "Larry Aulich". The signature is written in a cursive, flowing style with a large initial "L".

Larry Aulich
Director Product Management
Mueller Company
