AquaGrip™ Update...

Now rated 200 psig

All AquaGrip couplings are now rated for 200 psig working pressure. The AquaGrip coupling is ideal for transitioning between Ductile Iron, C900 and DI O.D. HDPE. These stab fit couplings and adapters

provide full restraint. No liner or insert is required with HDPE up to DR 17.

NEW Monitor Style Fire Hydrant

In addition to our popular Super Centurion 250™ hydrant, we now offer it in a Monitor Style. The monitor hydrant is used in situations where it may not be safe for personnel or equipment to be positioned when fighting a fire. Our integral monitor elbow provides excellent flow characteristics and eliminates a possible leak path. The standard mounting flange is 4". Along with the mounting

flange, 2 hose nozzles and 1 pumper nozzle are also standard. For easy maintenance all parts are interchangeable with current Centurion® Hydrants.

Introducing 4" – 12" PVC/HDPE Shell Cutters for the CL-12™ Machine

The most durable and economical large drilling machines get some new accessories. Now available for the CL-12 machine are shell cutters developed specifically for PVC (C900/IPS) and HDPE (to DR 9) pipe. These sharp cutters have proven to successfully cut while producing a minimum amount of chips.

Size	Shell Cutter	Pilot Drill	Pilot Drill Extension
4"	537061	681919	537068
6"	537062	681919	537069
8"	682581	681919	537069
10"	682583	681919	537070
12"	682585	681919	537070

Note: Cutter Hub P/N 83671 is needed with all sizes

Also available for the CL-12 and C1-36-99002 large drilling machines are 4" – 12" aluminum MJ adapters. These lightweight, high strength aluminum adapters come standard with a 2" NPT tap to allow a flushing connection when tapping.

Size	Adapter	Adapter Complete	Plug	O-Ring
4"	537038	682589	036950	307926
6"	537040	682590	036950	307927
8"	537041	682591	036950	307928
10"	537050	682592	036950	307929
12"	537051	682593	036950	307930

Web Site News About Mueller® Brass Products Update...

Check out the digital videos that have been added to the Mueller web site. Just go to the web site and click "Info. Exchange/Downloads" and follow the link. You can view our library of product demonstration and maintenance videos in their entirety. They include demonstration and maintenance videos for Centurion® Hydrants, the most widely sold hydrant brand in the U.S. -- see why in these informative presentations. You can also view the time saving AquaGrip™ System, and our newest product for protecting hydrants from tampering -- the Hydrant Defender™ Security System.

The following service line valves and fittings are now available:

Size	P/N	Description
2" x 2" x 1"	H15391	CTS 110® x CTS 110 X AWWA FIP
3/4"	H15444	IPS 110
3/4"	E15444	IPS PJ TEE
3/4" & 1"	H15098	Female copper flare thread x MIP straight coupling
1" x 1-1/4"	H15062	1" Female copper flare thread x 1-1/4" copper flare
1"	H15492	Inside Mueller coupling thread swivel nut x CTS 110 quarter bend
1"	H15413	Inside Mueller coupling thread swivel nut x CTS 110 straight coupling
1-1/2" x 1"	H15451	CTS 110 x FIP straight coupling
2" x 1-1/2"	H15451	CTS 110 x FIP straight coupling
1-1/2" x 1"	H15428	CTS 110 x MIP straight coupling
1/2" x 3/4"	H15403	CTS 110 Compression coupling
1" x 3/4"	H15454	1" PEP 110 x 3/4" FIP
1" x 3/4"	E15454	1" PEP PJ x 3/4" FIP
1-1/4" x 1"	H15400	Copper flare x copper flare coupling
1"	H14201	Meter swivel nut x CTS 110
1"x3/4"x 7-1/2"	H15361	U-Branch 1" PVC PJ x MIP with 71/2" center (2 piece construction)
3/4" & 1"	H15165	CTS 110 x CTS 110 Mark II Oriseal w/ Minneapolis pattern thread and drain.
1" x 3/4"	E15429	1" PEP PJ x 3/4" MIP
1-1/2" & 2"	H15538	MIP x MIP 90 degree elbow
2"	V15441	IPS PVC PJ x CTS PJ straight coupling
2"	V15445	IPS PVC PJ x CTS 110 straight coupling (2 piece construction)
5/8" x 3/4" x 3/4"	E24279	3/4" PEP PJ x Locknut ball angle meter valve
5/8" x 3/4" x 3/4"	B24279	3/4" IPS 110 x Locknut ball angle meter valve
1"	V25103	PVC PJ x Lock Nut ball angle valve (2 piece construction)
1"	V25226	PVC PJ both ends ball curb valve (2 piece construction)
3/4" - 2"	B25132	CTS 110 x Copper Flare ball curb stop
3/4" - 1"	B25152	CTS 110 x CTS 110 w/ Minneapolis pattern threads
1-1/2" x 2"	B25209	CTS 110 x CTS 110 ball curb valve
3/4"	682600	CTS 110 Kit includes 110 nut and gasket
1"	682601	CTS 110 Kit includes 110 nut and gasket
3/4"	682552	Phase 1 110 Conversion Kit*
1"	682551	Phase 1 110 Conversion Kit*
<i>*Replacement Kit for original style 110 nut and gasket - includes adapter nut and current style gasket</i>		
5/8" x 3/4" x 1"	H12896	Meter swivel nut x 1" IPS PEP barb
1/2"	H15071	Female copper flare thread x CTS 110 coupling
3/4"	682605	Kitec Conversion kit – contains nut, gasket and fitting
1"	682606	Kitec Conversion kit – contains nut, gasket and fitting
3/4"	B24363	CTS Insta-Tite® x meter swivel nut (2 piece construction)
5/8" x 3/4" x 1"	B24363	1" CTS Insta-Tite x meter swivel nut (2 piece construction)
1-1/2" x 2"	B25209	1-1/2" CTS 110 x 2" CTS 110 Ball curb stop
3/4"	H14282	MIP x MIP inline dual check valve
3/4"	H14283	MIP x CTS 110 inline dual check valve.
	H10382	Curb Box extensions for 1" upper sections 6", 12", 18" & 24"
2 x 3/4"; 1"	BR1B0238	Single strap bronze saddle 2.38"- 2.50 OD w/ 3/4" or 1" CC tap
20" Maxi Step	MSC2150A	Side A 21.50"-22.16" Side B 23.25" – 23.92"
