A Senate Bill AB1953 required that, effective January 1, 2010, all service brass products sold into the State of California, with the exception of service saddles, contain no more than .25% lead by weight.

This letter certifies that all Mueller Co. service brass products sold into the State of California since January 1, 2010 and through the current date meet this criteria in compliance with AWWA C800 requirements.

Sincerely,

Larry Aulich  
Senior Product Manager  
Mueller Company, Brass Products Division
