## H-604 AIR POWER OPERATOR – MODEL 6

The newly redesigned, compact, and lightweight H-604 Air Power Operator provides users with the ability to quickly perform Drilling and Tapping operations on a multitude of applications. Equipped with a dual functioning gear box, the H-604 operator simultaneously provides an optimal feed-to-cutting ratio resulting in smoother cutting and extended cutting tool life. The air power operator ships standard with an option to easily install an extension handle, simply by changing a few bolts, to provide additional leverage on larger size cutting operations.

Proudly developed and manufactured in the USA with over 160 years of Mueller design and industry experience, the H-604 Air Power Operator is built with the same rugged, proven dependability that you have come to know and trust.

H-604 Air Power Operator – Model 6

### KEY FEATURES

- Mounts directly to E-5™, D-5™, A-3™, and B-101™ machines
- Reversible air motor
- Maximum free speed - 35 RPM
- Air supply - 55 cubic feet of free air per minute at 90 psig
- Total shipping weight - 49 lbs.
- Machine only weight - 40 lbs.
- Shipped in a durable, lightweight polymer case
- Motor includes in-line oiler (P/N 311817)

### BENEFITS

**Efficient** – 300 ft-lb torque for ease of cutting

**Lighter Weight** – Easy to carry and install

**Compact** – Easier storage and smaller trench;  
Self-contained modules

**User Friendly** – Switch location close to handle;  
360° rotating exhaust vents
