

**CERTIFICATE OF COMPLIANCE**  
**Mueller A415 Super Centurion Flush Fire Hydrants**

Mueller Company is a world class manufacturer of fire hydrants, including the A415 Flush Hydrant. A415 hydrants are manufactured and assembled in our ISO 9001 facility located in Albertville, Alabama.

The A415 is a 5-1/4" hydrant that shares shoe and valve components with the Mueller A423 Super Centurion 250 hydrant. The A415 is AWWA C502 compliant and is rated for 250 psi operating pressure. A415 hydrants are manufactured in accordance with AWWA requirements including pressure testing at two times rated pressure (500 psi).

Sincerely,

*Alan Channell*
