## Mueller Fire Hydrant Top Coat Touch-Up Kit Order Form

This form may be used to order materials to touch-up most coatings used on Mueller brand fire hydrants. Using this form places an order directly with Sherwin-Williams, the coating supplier not - not with Mueller.

Mueller assumes no liability regarding the performance or suitability of these touch-up coatings.

### **Please not the following:**

- Shiny coatings should be “knocked down” using abrasives to allow proper adhesion of the touch-up coating.
- Mueller does not guarantee an exact color match when using one of these kits to touch-up a factory applied coating.
- Use safety procedures and equipment as prescribed by your company and the paint suppliers while preparing surfaces, mixing, handling and applying coatings.

### Touch-up Kit Order Form

Please call 256-464-8800 to place an order or email to swp792252@sherwin.com.

All prices listed below are freight FOB Madison, AL.

Because of the hazardous nature of these products we cannot offer any expedited shipping.

#### Polane SP Polyurethane (2-part paint)

	S-W Part Number	Gallon Kit Price	Qty	Quart Kit Price	Qty
Mueller Red	F63RL15	\$110		\$50
